

**WEST VIRGINIA INSURANCE DEPARTMENT  
CERTIFIED AND REGISTERED DRY HYDRANTS**

**12/92 to 10/18/02**

REGISTERED - A Dry Hydrant is Registered with the Insurance Department as to its Location, Servicing Fire Department, and Test Data indicating its capacity to function, but does not meet All Requirements for Certification.

CERTIFIED - A Dry Hydrant is Certified when it meets All Requirements for certification through ISO-CRS and qualifies for the Rating Exception published in the West Virginia Public Protection Classifications for cities, towns and fire districts. (Footnote: Class 8 may also be credited within 1,000 feet of certain suction water supply points.)

NA - No Access; O6M - Over 6 Miles; C - Certified; OOS - Out of Service  
R - Registered; P - Pending; WS - Water Source Capacity
